

## GFP-Tag Monoclonal Antibody

#T506

**Catalog Number:** T506

**Amount:** 100µg/100µl

**Form of Antibody:** Mouse ascites with 50% glycerol and 0.02% sodium azide.

**Storage/Stability:** Store at -20°C/1 year

**Isotype :** IgG1

**Immunogen:** Full-length GST protein

**Specificity/Sensitivity:** GST-Tag Mouse Monoclonal antibody detects endogenous levels of C-terminal, internal, and N-terminal GST-tagged proteins.

**Reactivity:** All

**Applications:** WB:1:3000 -10000

Western blot analysis of GST-tag fusion protein, using GST-Tag Mouse Monoclonal antibody (lane 1: 1:2000; lane 2: 1:5000).
